ANIMALS - PETS AND SERVICE ANIMALS

Service animals are allowed on TVT buses. Pets are also allowed if in a carrier or wearing a muzzle and leash. All animals must be under control at all times to ride. Other bus systems may not allow non-service animals on board. If you are planning to continue your trip with another transit provider you should call ahead to verify their animal policy.

BIKES

All TVT buses are equipped with bike racks. Each rack can accommodate two bicycles. Bicycles may also be brought in the bus if necessary and space is available. At this time electric bikes are not allowed on the bike racks or inside the buses. Riders are responsible for loading and unloading their own bicycles, and they must be strapped down for safety.

BUS STOPS

Be VISIBLE at bus stops so the bus driver can see you waiting. Wave at the driver to ensure being noticed and keep yourself safe. Buses will pick-up or drop-off passengers at all locations with TVT bus stop signs. Passengers may also request other pick-ups or drop-offs, or may wave the bus down at any safe location along the route. Drivers will not stop if unsafe.

CHILD SEATS

All TVT buses have built-in child seats in the first row.

DEVIATIONS & REQUEST ONLY BUS STOPS (R)

Addison Region buses deviate up to 1/2 mile (1/4 mile for Rutland Connector and Saturday LINK to Burlington) from the published routes to pick up or drop off passengers. There are no deviations on the 116 Commuter or Monday-Friday LINK to Burlington buses. Some TVT bus stops are listed as "R" or Request Only – either all of the time or during some parts of the day. Request Only stops follow the drop-off and pick-up procedures below, stopping at the nearest safe location.

To request a DROP-OFF

Upon boarding, please let your driver know you would like a Deviation or a Request Only drop off. The driver will let you know if this can be accommodated right away or on the next loop. All attempts to accommodate requests will be made.

To request a PICK-UP

We ask that all pick ups – whether a Deviation or Request Only Bus Stop – be requested by calling your local office one business day (24 hours) in advance, or on Fridays for a Monday pick up. However, we will always attempt to fill requests that are made with less notice.

Dispatch staff will take the information, review the bus schedule and determine a Pick Up time. Per federal law, the ride will be accommodated either up to one hour before or one hour after the requested time. **TVT dispatch staff is available by phone Monday – Friday between the hours of 7am-5pm, 802-388-2287.**

TRANSFERS

Please confirm with driver when boarding if you need to transfer to another bus or route. Connecting buses can wait up to 5 minutes beyond scheduled departure times for transfers. **Exceptions: Weather** – all buses may be delayed due to severe weather; TVT will make every effort to make connections. **Time of Day** – at the end of the day, when there is no other way for a rider to reach a destination, TVT will make every effort to make connections.
