ANIMALS - PETS AND SERVICE ANIMALS

Service animals are allowed on TVT buses. Pets are also allowed if in a carrier or wearing a muzzle and leash. All animals must be under control at all times to ride. Other bus systems may not allow non-service animals on board. If you are planning to continue your trip with another transit provider you should call ahead to verify their animal policy.

BIKES

All TVT buses are equipped with bike racks. Each rack can accommodate two bicycles. Bicycles may also be brought in the bus if necessary and space is available. At this time electric bikes are not allowed on the bike racks or inside the buses. Riders are responsible for loading and unloading their own bicycles, and they must be strapped down for safety. Motorized stand-up scooters are not allowed unless needed for an ADA disability.

CHILD SEATS

All TVT buses (excluding micro-vans) have built-in child seats in the first row.

DEVIATIONS & REQUEST ONLY BUS STOPS (R)

Addison Region buses deviate up to 1/2 mile (1/4 mile for Rutland Connector and Saturday LINK to Burlington) from the published routes to pick up or drop off passengers. There are no deviations on the 116 Commuter or Monday-Friday LINK to Burlington buses.

Some TVT bus stops are listed as "R" or Request Only – either all of the time or during some parts of the day. Request Only stops follow the drop-off and pick-up procedures below, stopping at the nearest safe location.

To request a DROP-OFF

Upon boarding, please let your driver know you would like a Deviation or a Request Only drop off. The driver will let you know if this can be accommodated right away or on the next loop. All attempts to accommodate requests will be made.

To request a PICK-UP

We ask that all pick ups – whether a Deviation or Request Only Bus Stop – be requested by calling your local office one business day (24 hours) in advance, or on Fridays for a Monday pick up. However, we will always attempt to fill requests that are made with less notice.

Dispatch staff will take the information, review the bus schedule and determine a Pick Up time. Per federal law, the ride will be accommodated either up to one hour before or one hour after the requested time. TVT dispatch staff is available by phone Monday – Friday between the hours of 7am-6pm, 802-388-2287.

LARGE ITEMS

Skateboards, skis and snowboards are welcome on the bus provided they are kept out of the aisles. Motorized stand-up scooters are not allowed.

LOST AND FOUND

TVT is not responsible for items left on the bus. Perishable and soiled items will be disposed of for safety reasons. All other items found on the bus will be brought to the office and kept in our lost and found for 30 days. Call 802-388-2287 for lost and found information.

TRANSFERS

Please confirm with driver when boarding if you need to transfer to another bus or route. Connecting buses can wait up to 5 minutes beyond scheduled departure times for transfers. **Exceptions:** Weather – all buses may be delayed due to severe weather; TVT will make every effort to make connections. Time of Day – at the end of the day, when there is no other way for a rider to reach a destination, TVT will make every effort to make connections.

WHEELCHAIR LIFTS AND SPECIAL ASSISTANCE

Wheelchair lifts are on every bus and drivers are trained to assist rider who need them in getting on and off the bus. To ensure the best possible service, riders needing special assistance are encouraged to call 802-388-2287 ahead of time. Please note, the step height to board our buses is between 10" and 12".
