Tri-Valley Transit's mission is to enhance the economic, social, and environmental health of the communities we serve by providing public transportation services that are safe, reliable, accessible, and affordable for everyone.

We offer two transportation systems.

- The public Bus System can take you around Addison County, north to Burlington, and south to Rutland.
- The Dial-A-Ride System includes door-to-door rides for those who cannot access the Bus System. (Flip to back of this brochure for more info.)

If you need help planning your trip or would like to request Dial-A-Ride service, please call 802-388-2287. Dispatchers are available Mon-Fri from 7 am until 6 pm to assist you.

We are committed to providing the best transportation for everyone. Happy travels and thank you for the privilege of serving you!

Jim Moulton
Executive Director, Tri-Valley Transit

➔ All TVT buses are **FREE** to ride.

However, you can expect to pay a fare when continuing travel with a neighboring transit system.

- ⇒ Call GMT at (802) 540-2468 for Burlington-area fare info.
- ⇒ Call Marble Valley Transit at (802) 773-3244 for Rutland-area fare info.

Bus Stops

Be **VISIBLE** at bus stops so the bus driver can see you waiting. Wave at the driver to ensure being noticed and keep yourself safe. Buses will pickup or dropoff passengers at all locations with TVT bus stop signs.

Passengers may also request other pickups or dropoffs, or may wave the bus down at any safe location along the route. Drivers will not stop if unsafe. When in doubt call TVT.

Deviations & Request Only Stops

TVT buses deviate up to ½ mile (¼ mile for Rutland Connector and the Saturday Burlington LINK) from the published routes to pickup or dropoff passengers. ***There are no deviations on the MSB Hannaford/ADK, 116 Commuter, or the Monday-Friday Burlington LINK routes.***

Some TVT bus stops are listed as "R" or Request Only – either all of the time or during some parts of the day. Request Only stops follow the pickup or dropoff procedures below, stopping at the nearest safe location.

TO REQUEST A DROPOFF

Upon boarding, please let your driver know you would like a Deviation or a Request Only dropoff. The driver will let you know if this can be accommodated right away or on the next loop. All attempts to accommodate requests will be made.

TO REQUEST A PICKUP

We ask that all pickups, whether a Deviation or Request Only Bus Stop, be made by calling the office at least one business day (24 hours) in advance, or on Fridays for a Monday pickup. However, we will always attempt to fill requests that are made with less notice. Our staff will take the information, review the bus schedule, and determine a pickup time. Per federal law, the ride may be accommodated either up to one hour before or one hour after the requested time. **TVT dispatch staff is available by phone between 7 am and 6 pm, Mon-Fri, 802-388-2287.**

Transfers

Please confirm with driver when boarding if you need to transfer to another bus or route. Connecting buses can wait up to 5 minutes beyond scheduled departure times for transfers.

Exceptions: Weather – all buses may be delayed due to severe weather; TVT will make every effort to make connections. **Time of Day** – at the end of the day, when there is no other way for a rider to reach a destination, TVT will make every effort to make connections.

Animals - Pets & Service Animals

Service animals are allowed on TVT buses. Pets are also allowed if in a carrier or wearing a muzzle and leash. All animals must be under control at all times to ride. Other bus systems may not allow non-service animals on board. If you are planning to continue your trip with another transit provider you should call ahead to verify their animal policy.

Bikes

All TVT buses (excluding MyRide vans) are equipped with bike racks. Each rack can accommodate two bicycles. Bicycles may also be brought in the bus if necessary and space is available. At this time electric bikes are not allowed on the bike racks or inside the buses. Riders are responsible for loading and unloading their own bicycles, and they must be strapped down for safety. Motorized stand-up scooters are not allowed unless needed for an ADA disability.

Child Seats

Most TVT buses (excluding MyRide vans) have built-in child seats in the first row.

Large Items

Personal items such as luggage, skateboards, skis, and snowboards are welcome on the bus provided they are kept out of the aisles.

Lost and Found

TVT is not responsible for items left on the bus. Perishable and soiled items will be disposed of for safety reasons. All other items found on the bus will be brought to the office and kept in our lost and found for 30 days. Call 802-388-2287 for lost and found information.

Wheelchair Lifts and Special Assistance

Wheelchair lifts are on every bus and drivers are trained to assist riders who need them in getting on and off the bus. To ensure the best possible service, riders needing special assistance are encouraged to call 802-388-2287 ahead of time. Please note, the step height to board our buses is between 10" and 12".

Specialized Transportation Programs for

- OLDER ADULTS & PEOPLE WITH DISABILITIES (O&D)
- MEDICAID RECIPIENTS
- AND OTHER VULNERABLE POPULATIONS

What is Dial-A-Ride?

This System enhances TVT’s ability to provide comprehensive transportation alternatives for residents in Addison, Orange, Washington, and northern Windsor counties of Vermont.

The Dial-A-Ride System includes programs that focus on specialized populations including older adults, persons with disabilities, low-income families and individuals, as well as the visually impaired. If you are eligible for Medicaid, Reach Up, are aged 60+ or have a disability, you may be eligible for FREE transportation. This program is supported by Volunteer Drivers who are reimbursed for mileage.

Am I eligible for a free ride?

To find out if you are eligible for a free Dial-A-Ride, review the following criteria.

- ◇ Do you live in Addison, Orange, Washington, or northern Windsor county in Vermont?
- ◇ Are you aged 60 or older?
- ◇ Are you living with an ADA disability?
- ◇ Are you on Medicaid?

If you are still not sure, email info@trivalleytransit.org or call (802) 388-2287. If none of these criteria apply, you can ask about Ridematch, our fee-based service.

Dial-A-Ride Programs

These services are for people for whom regular bus service does not work.

OLDER ADULTS AND PEOPLE WITH DISABILITIES (O&D)

Free for Addison County residents who are age 60 or older and/or have a disability, as described in the Federal 1991 ADA. Services can include rides to: food shopping, medical, social, and other necessary appointments.

This program provides unlimited free rides for critical care appointments such as cardiac rehab and cancer treatment and 12 free rides per month for dialysis.

NON-EMERGENCY MEDICAL TRANSPORTATION

Free service for all Medicaid-eligible residents of Addison County who do not have access to a vehicle and need a medical transport. Rides are typically provided by TVT volunteer drivers or family members who qualify. Qualified drivers are reimbursed for mileage expenses. TVT can also provide transportation in a wheelchair-lift-equipped bus.

REACH UP

Free for eligible residents in partnership with the Vermont Department of Families And Children. Services include transportation for employment-related activities, child care, and other self-improvement activities. Rides are provided either on TVT buses or by Volunteer Drivers.

RIDES TO RECOVERY AND JOB ACCESS

Service providing rides for people recovering from addiction to access wrap-around recovery services **OR** for people accessing job training, job interviews, and employment.

RIDEMATCH

Fee-based service available for people not eligible for any other ride. Rides are often paid for by a third party, such as an insurance company, school or employer. Call 211 for information on finding a third party to help pay for a ride.

Senior Meal Programs

TVT provides unlimited free rides for older adults to attend meal sites in Middlebury and Vergennes, as well as to local restaurants that participate in the Restaurant Meal Program. For more information or eligibility contact Age Well, 802-377-1419.

REQUEST A RIDE

In Addison County, call 802-388-2287
TDD 711

EMAIL: info@trivalleytransit.org

What happens when I call?

A dispatcher will ask you a few questions to confirm your eligibility. (Medicaid eligibility can take a few days or two weeks depending on documentation requirements.)

Once enrolled, at least 48 hours notice is requested for TVT to match a ride with a volunteer driver.

In the case of limited availability, TVT will prioritize medical trips first, followed by food access, then social.
